# 248 ACU CITY OF SYDNEY (GADIGAL)

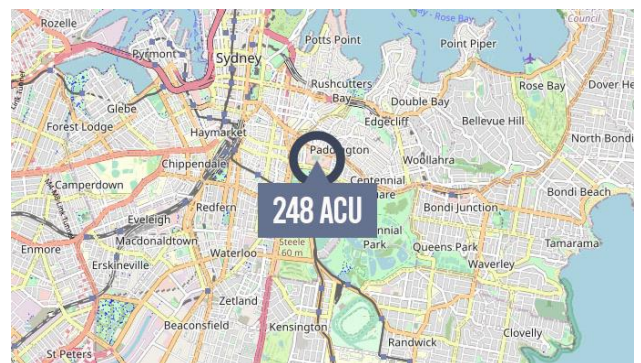

**The Australian Army Cadets is a youth development organisation and extra-curricular activity for high school students aged 13-18.**

Army Cadets get to learn new skills, meet new people, challenge their own limits and experience the military first-hand.

As an Army Cadet, you'll wear a uniform, and be issued with equipment. You'll go out bush on weekends to take part in exciting activities and exercises, and on a weeklong camp during the school holidays.

You'll be taught lessons in drill, first aid, military customs, to name a few. In the bush, you'll practice your fieldcraft skills, survival, and navigation. Advanced cadet subjects include drone piloting and robotics.

After 12 to 24 months, Army Cadets can get promoted up the ranks, to take on new leadership responsibilities and challenges.

248 ACU / Army Cadet Unit, City of Sydney (Gadigal) is located at Victoria Barracks, Paddington. Cadets meet every Tuesday during the school term, from 6:30-8:30pm.

**We are a community-based cadet unit, so you can join us regardless of which school you attend!**
